Crim

Ex. 13.

In the Court of the Magistrate third class Savanur.

Case no.19/1917.

Savanur S t a t e.

V e r s u s.

1. Purya bin Anajya Lamani of Yellapur.
2. Bhika bin Walya Lamani of Shiddapur.

The accused stand charged with having committed theft of -- toddy worth annas.six and having voluntarily caused hurt.---- Offences punishable under sections 379 and 323 I.P.C.

The story for the prosecution runs as below:

The two accused along with the third, Lekya who is at large, were seen, on or about the 29th March 1917, by Hanamant, Ex.no. 2, when drinking toddy in the bush of toddy trees in the Shidda--pur brook. These trees have been taken by one Namadeva a toddy contractor of the Shiggali shop for taking juce out. He has -- employed Muniyeppa and Hanamanta to watch and to tap the trees for extracting juce. When Hanamanta saw the Accused drinking - toddy stealthily and when he, on enquiry, was given a slap by- the accused, bawled out. Hearing him Muneppa, Huliga and Raja -- (Ex.nos.1-3 &4) came to the place where they were. The accused were then taken to a tamarind tree near where they beat - Muneppa and Huliga and hurt them. The accused then ran away.

The points to be decided are:-

1. Whether the trees from which toddy has alleged to have been taken and drunk belong to Namadeva the contractor.
2. Whether the accused took toddy from them and drank without- the consent of the owner.
3. Whether accused no.1 beat & caused hurt to Muneppa & Huliga

and if so voluntarily.

My findings on all these issues is in the affirmative for reasons to follow:-

The important witnesses in the case are Hanuma, Huligya Rajya and Muneppa ex,nos.2-3-4&1 as these have directly come in contact with the accused.

It is admitted on all hands that the toddy trees in the brook in question have been taken by different contractors fortaking juce to different toddy shops.

It is proved from ex.no.1 to 6 that Namadeva contractor has taken a part of these trees for the Shiggali shop and has employed Muneppa amd Hanamanta.

It is Hanamanta that first saw the accused drinking toddy.His statement that Huligya,Rajya and Muneppa came to him when he bawled out ,is corroborated by those witnesses.Vide ex.nos.1-3 & 4.It is stated by these all four that the trees from which the gobbis were taken down were giving out juce.This,their statement is corroborated by ex.nos.5 & 6.There were many other trees tapped ~~from~~ for taking out juce except the ones referred to above vide ex.nos.3,4,5 & 6.

These witnesses say as to from what trees the gobbis were taken,as the trees were numbered before tapping.

Ex,nos.1,3 & 4 state the 3 gobbis were present with the accused when they were first seen by them.Exs.3 & 4 state that the Accused were in a state of intoxicatuon and that toddy smell was coming out when approached.It is also on record that there was fresh foam of toddy in these gobbis.

Looking to all these circumstances it proves beyond doubt that the accused had drunk the toddy juce taken there from the trees in that grove;apprently without the consent of the owner.

It is the accused that should clear their conduct. They have no defence to enter into.

It is proved from ex .nos.1 tp 4 that accused Purya threw stone towards Muneppa ex.no.1 and hurt his left shoulder and beat Huligya with a gobbi with a result that the stroke b

broke his head near his neck.

There is on record that blood was -- seen oozing out of Huligya's neck vide ex.no.5 & 6.It is also on record that there were pieces of earthen pots lying on the ground there.

There were pieces of earthen pots and blood ---- stains on the scene of offence is proved by ex.no. 7,a punch. From his statement it is also proved that ex.nos.1,3,4 & 5 &6 were at a hearing distance from where the accused stole toddy A punchnama is also held by the Sub-Inspector to that effect ex.7(a)

The accused dont plead guilty and they have no --- defence to enter into as already noted.

The act of the accused was daring, as these events took place in the broad day light and besides they are criminals being - Lamanis.

From what I have discussed above from the evidence on record, I hold that it is sufficiently proved that the ---- accused are guilty of the offences charged against.(Accused 1 Purya under sections 379 and 323 and accused 2 Bhikya under sections, 379 I.P.C.)

I hereby order that accused no.1 Purya - should suffer rigorous imprisonment for 7 days under section. 379 I.P.C . and should pay a fine of Rs.5 under sec.323 I.P.C and in default should undergo further rigorous imprisonment- for three days; that Bhikya should undergo rigorous imprison-- -ment for 7 days under sec.379 I.P.C.
